

# Gulfstream G650

**GULFSTREAM G650**  
**LIS TRADING GROUP // FOR SALE**

26. FEBRUARY 2016

## GENERAL INFORMATION

### AIRCRAFT HIGHLIGHTS

- In service December 2015
- Delivery time only
- Engines enrolled on Rolls Royce Corporate Care
- Honeywell LSZ-860 Lightning Sensor System
- Runway Awareness Advisory System (RAS)
- Weather Radar Predictive Windshear
- Honeywell Swift Broadband Data System

---

### AIRFRAME & ENGINES

Certificate of Airworthiness: 28th April 2015  
Entry Into Service: 04th December 2015  
Total Time Since New: 40:57 Hours  
Total Landings Since New: 11  
(as of 18th December 2015)

---

### ENGINES

Description: BR700-725A1-12  
Program: Rolls Royce Corporate Care

	Serial	Total Time	Cycles
Left	25399	40:57 Hours	11
Right	25398	40:57 Hours	11

### APU

Description: Honeywell RE220-G650  
Serial Number: P-253  
Total Time Since New: 40.5 Hours

---

### MAINTENANCE

- Aircraft Enrolled on Gulfstream CMP Maintenance Tracking Program

---

### AVIONICS

Gulfstream PlaneView II Avionics System

Triple (3) Honeywell Primus Epic Flight Management System with WAAS / LPV Capability

Triple (3) Triplex NextGen Flight Management Systems (FMS)

Triple (3) Modular Avionics Units (MAUs)

Four (4) Large Flat Panel LCD Electronic Display Units (Pilot PFD-MFD & Copilot PFD MFD)

Dual (2) Standby Multifunction Controllers (SMC)

Triple (3) Multi-Function Control Display Units (MCDU)

Dual (2) Cursor Control Devices (CCD)

Four (4) Multifunction Air Data Probes (MFP) Air Data Sys.

Triple (3) Inertial Reference Systems (IRS) LASEREF VI

Dual (2) 24-Channel Global Positioning Systems (GPS)

## GENERAL INFORMATION

### AVIONICS continued

Datalink VDL Mode 2  
Lateral Precision Vertical (LPV) Approach Capability  
Synthetic Vision - Primary Flight Display (SV-PFD)  
LCD Head-Up Display (HUD II)  
Enhanced Vision System II (EVS II)  
One (1) Data Loading LAN Management Unit (DLMU)  
Dual (2) High Frequency (HF) Communications

---

## GENERAL INFORMATION

### INTERIOR

Customized Aft Galley 12 Passenger Floorplan with Forward Crew Rest Compartment.

The customized versatile floorplan with its mix of individual club, divan and conference group seating is adaptable to a range of both business and leisure operations. Six (6) individual club seats, including four (4) in the forward cabin, ensure maximum comfort for passengers whilst the mid-section three-place divan opposite credenza offers a relaxed area for watching movies. The aft cabin four (4) place conference grouping, extendable to six (6) places with the addition of extension plugs, is the perfect arrangement for family dining or team meetings. The forward private crew rest area and aft pocket door separating the aft galley from the cabin allows for commercial operations.

- Electrically operated pocket door between cabin 3 and aft galley
- Quartz polymer countertops
- Custom credenza in silver finish with 32" flip-up monitor
- 6-place conference group with table extension plugs
- Iacobucci espresso/cappuccino maker

### EXTERIOR

- Painted June 2015 at Gulfstream Long Beach, CA
- Polished cabin window surrounds
